

WANTED

Jade Lee Sacker

Leftist photographer and former *NPR* contractor Jade Sacker was embedded with anarchist John Sullivan during their trespassing in the Capitol and their *CNN* interview afterwards. A now-deleted video by Sullivan in the Capitol rotunda captures this exchange between the subversive duo:

Jade: “I’ll give you your hug now—we did it! You were right! We did it!”

John: “Is this not going to be the best film you’ve ever made in your life?”

Jade: “Wait—you’re not recording, right?”

Unlike Sullivan, Jade has not been arrested and indicted despite wanton violations of 40 U.S.C. § 5104(e)(2) and 18 U.S.C. § 2, among others. While Trump supporters rot in solitary confinement, Jade gets to be an FBI informant and profit from her faux documentary. **This modern Bolshevik deserves to be prosecuted.**
