Who are Larry Ray & Claudia Drury?

The jury's verdict in *United States v. Ray* established that Larry Ray forced a vulnerable Sarah Lawrence College graduate named Claudia Drury into prostitution. In just a few years, nearly \$2.5 million—from no less than 121 "johns," including longtime George Soros associate David K. Wassong—was laundered to Ray and his co-conspirator, Isabella Pollok. The list of these 121 johns was "inadvertently" posted onto the public S.D.N.Y. docket; the list was meant to be sealed. Drury was manipulated and physically tortured by Ray and Pollok, and yet not one of the 121 johns has been held accountable in any way by the federal or state legal systems in the U.S.
