

1 STEAK FOR BREAKFAST PODCAST

2 EPISODE 152 - - JULY 15, 2022

3

4

5

.....

6

7

RONE: Joining us first on the show¹ today --

8

first time he's ever come on *Steak for Breakfast*

9

with us -- we're very pleased to have him. He's a

10

former Trump White House staffer. He also is the

11

founder of Marco Polo, a nonprofit research group

12

exposing corruption and blackmail to drive American

13

renaissance.

14

Sounds pretty spicy. I think we're going to

15

like it.

16

Mr. Garrett Ziegler, thanks for coming on

17

Steak for Breakfast.

18

GARRETT ZIEGLER: Thank you very much. Good

19

morning. Appreciate [you] having me on.

20

RONE: Oh, the pleasure's all ours, sir.

21

How's everything going with you?

22

GARRETT ZIEGLER: Going good. I -- you know,

23

we just got an agreement done with *The U.S. Sun*,

24

which is an outlet that is British based but they

25

have -- they have an American version to the

¹ archive.ph/61E01

1 outlet. And we're going to be putting out, over
2 the next 30 days, a myriad of stories about the
3 First Family.

4 You know, the spicy ones² have already come out
5 with Hunter smoking crack in the shower and getting
6 a hand job from two women; but there's going to be
7 stuff that ranges -- that pretty much runs the
8 gamut. It's a sociological disaster -- that family.

9 The pResident is the -- basically the
10 patriarch of drunks and drug addicts. And that's
11 what he's raised. And, you know, Ashley and
12 Hunter, two of his children, have different mothers
13 but they're both disasters. They're both just
14 wrecks -- and that goes to show that Joe can't even
15 manage his own household, let alone the country.

16 So that's what we're doing. We're nonprofit
17 but we're -- we're partnering with different
18 outlets that have committed to writing the truth
19 about the Biden family. And then we've been
20 working on this -- what I'll call dossier/Report.
21 It's over 600 pages -- it's on the Biden Laptop -- and
22 that's basically been my focus for the last ten
23 months.

24 The -- the election was obviously -- it was
25 obviously stolen and I've committed myself to

² archive.ph/OKoVF

1 basically exposing the Biden family. So that's
2 what I've been up to, and I appreciate you having me
3 on.

4 NOAH: Yeah.

5 RONE: I was posting -- I was posting some
6 stuff about the most recent Biden information -- or
7 Hunter Biden information that's been posted
8 online --

9 GARRETT ZIEGLER: Yeah.

10 RONE: -- and somebody's like, "Why does this
11 stuff always change?" And I'm like, "Well, because
12 this is new, this isn't the laptop."

13 NOAH: Yeah.

14 RONE: "This is" --

15 GARRETT ZIEGLER: Yes.

16 RONE: -- "is his iCloud. This is brand new."

17 GARRETT ZIEGLER: Well, not his iCloud. This
18 is his --

19 RONE: Or --

20 GARRETT ZIEGLER: -- this is his iPhone
21 backup.

22 RONE: His backup.

23 GARRETT ZIEGLER: That's --

24 RONE: Yeah. Basically --

25 GARRETT ZIEGLER: Yes.

1 And I've been -- I think the -- the effort to
2 put the "iCloud" word in the -- the narrative of
3 public reporting is to suggest that -- that
4 somebody, maybe not us, Marco Polo, but somebody
5 hacked him. And I want to avoid that at all costs.
6 I want to avoid that like the plague --

7 RONE: Oh.

8 GARRETT ZIEGLER: -- because the Secret
9 Service has already put out a statement, you know,
10 "We're aware of reports of Hunter Biden's iCloud
11 being hacked."³

12 And so when we got into this backup that a
13 couple of other groups apparently had gotten into,
14 one of which was an anonymous user on 4chan.

15 RONE: Yeah.

16 GARRETT ZIEGLER: And I praise their -- their
17 technical prowess. I want everybody to see this
18 stuff.

19 RONE: Yeah.

20 GARRETT ZIEGLER: But the iPhone backup -- I was
21 shaking when we got into it.

22 And I didn't know this guys, but -- and -- and
23 I don't -- I don't have a ton of background on how
24 technically proficient you are; I am not at all.

25 But apparently what we did and what these other

³ archive.ph/4RATd

1 groups did, there was a bounty⁴ that Apple put out
2 for like millions of dollars for what we did. We
3 basically got into an encrypted backup on his
4 laptop.

5 So I don't know if we can collect money on
6 that. I'm sure Apple's not going to pay us for
7 getting into the pResident's son's --

8 RONE: It's a trap.

9 GARRETT ZIEGLER: -- iPhone backup.

10 But what -- what we did, I -- we were shaking
11 when we got into it. 28 gigabytes, dozens of more
12 videos, dozens of more drug deals. I mean, this is
13 the worst shit that he wanted to -- for -- that --
14 that he wanted nobody to see, basically.

15 RONE: Uh-huh. Yeah, it's pretty interesting.
16 You -- you know, and you -- you've mentioned it
17 Garrett, some of -- some of the real absolute chads
18 on 4chan that have been working hard.

19 GARRETT ZIEGLER: Yes.

20 RONE: You know, fighting on the digital
21 battlefield here.

22 NOAH: 4chad?

23 GARRETT ZIEGLER: (Laughter.)

24 RONE: But -- but this thing is just come
25 leaking into the news right now, like in the last

⁴ archive.ph/iHOuO

1 maybe week or so; however, you were way ahead of
2 this story, what, almost a month ago?

3 GARRETT ZIEGLER: Well, I started writing the
4 report on September 1st [2021], I think, is when I started
5 with the legal pad getting out -- it took me about,
6 quite honestly, guys, it took me about a month and
7 a half to figure out the outline. Because there's
8 so many crimes, you want it -- you know, some
9 people wanted me to do it chronologically -- just
10 start at 2013, which is basically when the e-mails
11 start.

12 RONE: Uh-huh.

13 NOAH: Right.

14 GARRETT ZIEGLER: And we put all of his
15 e-mails on [BidenLaptopEmails.com](https://www.marco-polo.com/BidenLaptopEmails.com) -- over 128,000 of
16 them, my nonprofit did.

17 And we started writing this last September. I
18 knew that it was one of the top stories of the
19 century just because --

20 RONE: Um, yeah.

21 GARRETT ZIEGLER: -- of the Pavlovian dog-like
22 response by the mainstream press in covering this
23 up and suspending the *New York Post* [Twitter] account,
24 suspending the White House Press Secretary [Twitter] account.

25 But I think that now Biden is so -- he's so

1 osteoporotically limping through the world stage
2 that maybe they smell blood; and the vultures, like
3 Kamala [Harris] and [Gavin] Newsom, even though they're --
4 they're saying that publicly they support him, they're
5 sniffing the fact that he couldn't run again. And
6 so now, although we've been on this for ten months,
7 some of the left and some of the mainstream media
8 has looked at it as though in their own interest to
9 start talking about how pathetic this guy is.

10 So, I don't know if they're on our side, Rone
11 and Noah, but I can guarantee that, you know, more
12 shit's going to come out because nobody's -- he's
13 still protected, of course, but the degree with
14 which they'll circle him, like -- like oxen when a
15 wolf arrives is decreasing.

16 RONE: Yeah, it's interesting to see because,
17 you know, you're the worst of the worst person ever
18 in the world if you criticize him, and then all of
19 a sudden: Hey, you know, what? We're going to
20 have to start criticizing this guy.

21 GARRETT ZIEGLER: Yeah. And one -- one thing
22 I want to mention because I know you guys have a
23 huge audience and I don't think I've been on a show
24 with this many people. I was listening to -- to
25 what Rone posted and he said it's in the Top 20 [news podcasts].

1 But one -- one thing I want to drive home is
2 that Hunter knew, as of 2018, that his dad had
3 dementia.⁵ And, ironically, he was discussing this
4 fact with his psychiatrist, Keith Ablow, who's sort
5 of a disgraced⁶ GO -- GOP establishment celebrity
6 psychiatrist up in Newburyport, Massachusetts. And
7 Keith Ablow ironically postulated⁷ that, in 2013
8 even, in the vice-presidential debate, I think this
9 was November 2012, that -- that Joe had dementia in
10 his debate with Paul Ryan.

11 So I don't know why Hunter picked Keith Ablow,
12 considering he's a Republican, but I guess he's
13 sort of establishment -- he [Ablow] likes Joe.

14 But, you know, the family has known this for
15 over four years now. And we see it every day. I
16 mean, this is just a cookie-cutter case and he
17 can't hold multiple complex ideas at the same time,
18 he can't say, you know, words like kleptocracy.⁸

19 Remember that one when he was --

20 RONE: Oh, yeah.

21 GARRETT ZIEGLER: -- talking about the -- the
22 kleptocrats in Russia? He can't even say the word.

23 And I grew up stuttering, so he always falls
24 back on the fact⁹ that, "Oh, it's my stutter.

25 You're making fun of me. I'm stuttering -- don't

⁵ archive.ph/R1ttt

⁶ archive.ph/35K7C

⁷ archive.ph/x7seh

⁸ archive.ph/qMHh0

⁹ archive.ph/CfYpD

1 make fun of me."

2 But he -- he struggles with three-syllable
3 words.

4 RONE: Yeah, it -- it's really sad to see the
5 large decline of him --

6 NOAH: Well, maybe he picked that psychiatrist
7 because it was a Groupon or something.

8 RONE: Stop it.

9 GARRETT ZIEGLER: Keith is a mess. Keith lost
10 his license to practice medicine in Massachusetts.
11 Some of his patients had [been asked by] Keith
12 [to get his initials tattooed near] their genitals.¹⁰

13 RONE: What?

14 GARRETT ZIEGLER: He -- he's a sociopath,
15 okay?

16 And he's a -- he's a GOP hack that has been in
17 the public eye for years and I -- and the reason I
18 think why Hunter went to him is because he has a
19 history of working with celebrities. And he hasn't
20 really told anybody a lot about his -- his
21 treatment of Hunter. I think that's why Hunter
22 went to him. He's actually discreet even though
23 Hunter's attorney's trying to throw him under the
24 bus and blame him for his laptop debacle because
25 Hunter left¹¹ another one of his laptops at Keith

¹⁰ archive.ph/0v9gQ

¹¹ archive.ph/0xMh3

1 Ablow's place. And so they're just basically using
2 him as -- as a Girardian scapegoat¹² for this entire
3 saga.

4 That's why I texted Keith, I said -- and I
5 texted Keith's assistant, Tiffany [Bartholomew] --
6 I said, "you're -- you're thrown -- you're going
7 to be thrown¹³ under the bus, just FYI."

8 And so they kind of have an affinity for me,
9 even though I think they're terrible people,
10 because I at least tell the truth to them.

11 NOAH: Yeah, I mean, if his -- if his
12 psychiatrist is so much of a manipulator that he's
13 gotten people to tattoo their names -- his name on
14 their --

15 GARRETT ZIEGLER: Yes.

16 NOAH: -- privates, then I would venture --

17 GARRETT ZIEGLER: Yeah.

18 NOAH: -- to say that Hunter probably met him
19 at a party. That's probably how it happened.

20 GARRETT ZIEGLER: There's a great piece that
21 your read -- that your listeners will love, in the
22 *Boston Globe*, February of 2019. This is while
23 Hunter was still in Newburyport. The title of the
24 piece is, "I Own You."¹⁴ And it's basically the
25 expose of Keith Ablow. And then one year later,

¹² archive.ph/k2SXg

¹³ archive.ph/i52Jv & archive.ph/yJXTU

¹⁴ archive.ph/LIZ3M

1 almost to the day, his office got raided by the
2 DEA.¹⁵

3 He was -- he was not charged in that case, but
4 basically he was giving out scripts that weren't
5 kosher. And --

6 RONE: Sounds weird.

7 GARRETT ZIEGLER: -- he's just a weird guy,
8 totally.

9 But I -- I appreciate you guys going into this
10 because nobody -- nobody really want -- this is a
11 fascinating sociological, basically, saga because,
12 you know, this guy, Keith Ablow, is so -- is so
13 central to this scandal, but nobody usually lets me
14 go into him because it's in the weeds. But I'm
15 telling you, if -- if there are any honest writers
16 left, right-wing, left-wing, whatever, there -- the
17 stories are there.

18 And we're writing that in our Report, but our
19 Report's pretty dry. I mean, we basically say in
20 very -- very dry language: "Hunter then proceeded
21 to shave his gooch, or perineum," in the technical¹⁶
22 language, "with a female BiC purple razor, and *What*
23 *[Makes] a Good Man*¹⁷ is playing in the background."

24 Like we write it like a -- like a crime scene;
25 whereas if somebody were, like, a journalist, they

¹⁵ archive.ph/bktYB

¹⁶ archive.ph/bLEby

¹⁷ archive.ph/V7I09

1 could have a lot of good stories out of this. So
2 maybe one of your listeners will take me up on my
3 offer.

4 RONE: Yeah. Every new thing you tell me
5 about the psychiatrist makes more sense why Hunter
6 goes to him. The -- the bad scripts, like could we
7 get the record of how many scripts he wrote for
8 Hunter?

9 GARRETT ZIEGLER: Oh, Viagra -- off the charts.

10 RONE: Yeah.

11 GARRETT ZIEGLER: Hunter was -- Hunter --
12 Hunter actually got -- this is one of our crimes.
13 Mere mortals get busted for this.

14 Hunter not only, obviously, procured crack
15 cocaine, but he actually procured black market
16 Viagra from this drug dealer that he called "Frankie"
17 who we cannot identify. We've had two different
18 private investigators run his -- run the number and
19 we can't get a solid look on who it is behind it.
20 We've obviously tried to catfish him, multiple
21 people -- multiple associates of mine have tried to
22 reach out to him to try and get more info.

23 But Hunter was dealing in black market Viagra --
24 all this stuff. Shrooms. He's a mess.

25 RONE: Wow.

1 GARRETT ZIEGLER: And the ironic thing is --
2 by the way, I grew up liking, you know, Ron Paul.
3 I have different views on what we should do about
4 the drug problem.

5 The reason why I bring this up is because Joe
6 is the very man who put tens of thousands of Black
7 men behind bars for five years --

8 RONE: Yeah.

9 GARRETT ZIEGLER: -- with no parole.¹⁸ And so
10 it's not that I'm saying that oh, we should do
11 nothing about drugs -- I think it's terrible and I
12 think the dealers should be, you know, and -- and
13 the users -- should be held accountable, but it's just
14 ironic that Hunter, even though he's this rich
15 White guy, son of a Senator, you'd think he'd be
16 into blow where he's, like, you know, snorting
17 lines off with hundred-dollar bills; but he's
18 actually smoking crack, which is the exact thing
19 his dad, you know, put people behind bars for, for
20 forever. It's just so, so ironic.

21 NOAH: Yeah, it certainly is and it's one of
22 those things where, you know, the more we kind of
23 deconstruct and -- and add pieces to the puzzle
24 that is the Hunter Biden narrative, you find out
25 how much of a sociopath he is. And, you know, it's

¹⁸ archive.ph/N3owR

1 like he -- he -- he's -- his perception of reality
2 is so warped it's almost like he's inner
3 monologuingly [*sic*] narrating his own life like it is a
4 movie.

5 All the stuff he does and the weird way he is
6 with his phone all the time, like, you know,
7 it's -- it's -- I -- I can understand at the end of
8 a bender if you want to, like, document some of
9 like, you know, your best slays, that's fine. But
10 there's like thousands of hours of him just doing
11 drugs and being, like, the -- you know, literally
12 one of the most awful people on the face of the
13 earth. And with some of the people he's done it
14 with, all the way up from his brother's wife to,
15 you know, how he requested his taste in hookers.
16 It just seems like --

17 GARRETT ZIEGLER: Yeah.

18 NOAH: -- it's just a really awful person.

19 GARRETT ZIEGLER: "No yellow."¹⁹ That's a
20 great --

21 NOAH: "No yellow."

22 GARRETT ZIEGLER: -- that's a great point you
23 had, you know.

24 And the -- one of the things that has, I
25 wouldn't say comforted me, but it basically

¹⁹ archive.ph/eUUj6

1 solidified my opinion of Hunter, is his attorney
2 has now started to go after my group, my nonprofit,
3 which is me and five other guys who have remained
4 anonymous as of late because they don't want to get
5 doxxed, et cetera, and I -- I understand that.

6 But basically, his attorney, his name's Kevin
7 Morris, has called me a, quote, "vicious little
8 pussy"²⁰ and knows where I live and it's all
9 terrible.

10 And what this tells me is that Hunter hasn't
11 changed at all. One of the great pieces²¹ that had
12 come out of this was at the *Washington Examiner*.
13 They did this -- the video that you've all seen by
14 now where Hunter's constructing a video alibi with
15 a Russian prostitute, he said, "is anything bruised
16 on you? Are you okay? Did I hurt you in anyway?
17 I was literally --"

18 This is Hunter saying: "I was literally
19 apologizing for taking so long to give you
20 \$10,000." That's Hunter's words.

21 And I think what -- you know, and the reason
22 why I'm bringing this story up is because this is
23 the second time that Hunter has ever responded to a
24 writer. And he responded to the writer, Andrew
25 Kerr, at the *Washington Examiner*, by -- by saying

²⁰ archive.ph/ZgfF7#selection-1681.206-1681.225

²¹ archive.ph/8q0eh

1 four words: "What's wrong with you?"²²

2 Think about a writer asking you for comment,
3 when you're constructing an alibi with a Russian
4 hooker, and you respond to him with, "What's wrong
5 with you?" I mean did -- did -- over four years
6 have passed, most -- three-and-a-half basically
7 since the -- since the content of the laptop was
8 done in real life -- in real time, and Hunter
9 hasn't changed at all. Not one bit. He's still
10 blaming all of his sins on other people. He takes
11 no accountability. Everything is not his fault.
12 He just blames it on his addiction.

13 So I don't have any problem running this guy
14 over the coals because he's shown no remorse. It's
15 all because of the drugs -- he blames all the bad
16 shit he's done on drugs and he's just a terrible
17 guy.

18 So I felt that was important because some
19 people think, "Oh, don't beat up on him."²³ It's
20 like, "The boy is only 52!"²⁴

21 RONE: Yeah.

22 GARRETT ZIEGLER: Right? This isn't Barron
23 Trump, you know. Give me a break.

24 RONE: No. You're a hundred percent right
25 and, you know, in addition to doing all that stuff,

²² archive.ph/AUeMJ

²³ archive.ph/TaB3f

²⁴ archive.ph/dNrgK

1 he continues to trash the people who have been,
2 like, legitimately his only support system
3 throughout the course of his completely messed-up
4 life, and that's his family.

5 GARRETT ZIEGLER: Yeah.

6 RONE: We've seen through some of those
7 e-mails and messages he trashes his stepmom, he has
8 zero respect for his father, and -- and knows that,
9 you know, the only thing Joe Biden's good for is
10 throwing his name around to line his pockets with
11 whatever corrupt business deals he's getting into.

12 And, you know, as -- as this narrative
13 continues to grow and we paint a more clear picture
14 of it, it's going to be interesting after we see
15 what happens in the midterm elections just how
16 far -- I mean if you look at the laundry list of
17 people who are in line to get whacked,
18 metaphorically, once the House and Senate flip,
19 you're talking about everyone from Joe Biden,
20 Alejandro Mayorkas, Merrick Garland, you've got
21 Austin and Milley, Dr. Fauci, just to name a few,
22 and then --

23 GARRETT ZIEGLER: Uh-huh.

24 RONE: -- there's this Hunter Biden thing.
25 How much of what he's done in the background

1 over the course of the last decade or more is going
2 to, you know, tie itself into a lot of these things
3 that are happening right now: The removal of the
4 tariffs and taxes on China, and -- and a lot of
5 the, you know, funds that are going to people in
6 Ukraine, not to fund the war but to, like, you
7 know, help their regular government keep the lights
8 on.

9 It's just, you know --

10 GARRETT ZIEGLER: Uh-huh.

11 RONE: -- really interesting to see where
12 we're going to go with all this.

13 I feel like even though you -- you've
14 uncovered so much and we've learned so much from
15 this narrative, we -- we're just scraping the top
16 of what's going to be a pretty big iceberg under
17 the water level right there.

18 Garrett, I did want to talk to you, while
19 we've still got you on. You know, a lot of people
20 on our listenership want to know about some of the
21 times that you've had when you worked inside the
22 Trump administration. Obviously, we're not going
23 to ask for those presidential privilege like --
24 type moments, but at the same time, just what the
25 kind of atmosphere was like, what -- what was it

1 like working on the ground in -- in one of the
2 most, you know, heavily scrutinized, but obviously
3 the most America First administration probably in
4 the history of our country; and, you know, based on
5 the things you do now, what are some of the things
6 that you saw and experienced that you pulled away
7 from that that's kind of developed into things like
8 Marco Polo right now?

9 GARRETT ZIEGLER: That's a very good question.

10 I think that my experience was a lot different
11 than pretty much every other staffer's in this --
12 in the -- in the sense that I worked for Peter
13 Navarro who is one of three people who have stayed
14 with the president by his side from the 2016
15 campaign all the way to the present.

16 RONE: Yep.

17 GARRETT ZIEGLER: You'll note that he was one
18 of two people, along with Steve Bannon, to get
19 indicted for contempt of Congress. They're after
20 him like, you know, stink on shit.

21 RONE: Yeah.

22 GARRETT ZIEGLER: And the reason is -- is that
23 Peter is so instrumental to the Trump economic
24 vision.

25 And so you ask what it was like. I think it

1 was -- it was a pleasure working for Peter knowing
2 that we were trying to implement the President's
3 economic vision. It was a total shit show with
4 regard to personnel, I must say. The personnel
5 inside the White House was awful. I have basically
6 a list of who should go where should we return to
7 power. And a lot of our time, honestly, Rone, was
8 arguing with other staffers --

9 RONE: Yep.

10 GARRETT ZIEGLER: -- about what course of
11 action. You know, the -- the ingratiation and the
12 infiltration of the RNC and the establishment was so
13 thorough that a lot of times we just were fighting,
14 say, Steven Mnuchin of the Treasury Department.

15 And, so, it was an amazing experience -- I'm
16 grateful for it. The thing we focused on most was
17 exactly what you just said before your question
18 which was the -- the Chinese question [is one] of the
19 most important -- a top three most important issue,
20 geopolitically is the -- the relationship between
21 America and the -- and the ChiComs.

22 And if we don't get that figured out -- and
23 that's why I'm -- that's why, in part, why I'm
24 doing Marco Polo, to -- to sort of lead into
25 your -- the last clause of your question, which is

1 the -- the Chinese are behind this. That's why we
2 named it Marco Polo. It wasn't just because we
3 thought it was cute. It was this Venetian explorer
4 [who] explored the Orient in the [13th] century and
5 we think -- and it all -- and he knew that a lot of it
6 led back to China then --

7 RONE: Yeah.

8 GARRETT ZIEGLER: -- with the Silk Road, with
9 everything else.

10 And this is our new Silk Road. The Chinese
11 are behind the Bidens' foreign influence and behind
12 their compromise, and they're pulling the strings
13 now.

14 And so the -- the Trump administration, to me,
15 when I look back on a Term I -- and I do think
16 he'll be the second president in American history
17 to serve nonconcurrent terms, --

18 NOAH: Agreed.

19 GARRETT ZIEGLER: -- like Grover Cleveland --
20 when I look back at it I -- I see [Donald Trump to be] the only
21 person to be awake to the Chinese problem. And for that,
22 I'm extremely proud. There were unforced errors
23 with regard to personnel. But, remember: he had so
24 much going against him. He's the first person to
25 ever break the party cartel in American history and

1 he had to fight a total hoax for so many years.

2 And so, you know, he knows about our work at
3 Marco Polo. One of my former colleagues is with
4 him a lot and -- and she says that he -- he's asked
5 for -- for our work at Marco Polo on Hunter so I'm
6 very honored by that. And, you know, I'm going to
7 be putting out this over 600-page Report next month
8 and I'm -- I'm ecstatic.

9 So I hope I get to talk to you guys again and
10 I hope that, you know, we can discuss in greater
11 detail the issues around personnel because I think
12 personnel is the most important thing with -- you
13 know, when constructing a team. And how I can
14 humbly -- and now I'm humbly submitting how I can
15 help in that regard.

16 RONE: Yeah, you know, you're right. We've
17 had so many former high-ranking administration
18 officials who still have great relationships with
19 the 45th president. Obviously Kash Patel is a
20 reoccurring guest on this show.

21 GARRETT ZIEGLER: Uh-huh.

22 RONE: So --

23 GARRETT ZIEGLER: Yes.

24 RONE: -- so is Max Miller, Christina Bobb,
25 Paige Willey, Alex Gray, a lot of the people who

1 were, you know, closest to him in some of the most
2 critical moments for the administration. Of
3 course --

4 GARRETT ZIEGLER: Uh-huh.

5 RONE: -- you mentioned Dr. Peter Navarro. We
6 have the most admiration for that guy on this show.
7 No one has ever taken China to task more than Peter
8 Navarro has in the course of the --

9 GARRETT ZIEGLER: That's true.

10 RONE: -- four years that he worked for the
11 Trump administration, and exposing a lot of the
12 things that -- you know, I think the CCP buying up
13 all this land, not just in the United States, but
14 places all over the world, that, you know, their
15 governments went bankrupt on COVID and then China
16 comes into this, they, like, scoop all this land
17 says, "Oh, yeah, we'll rebuild your entr --
18 infrastructure and if you can't pay it off, you
19 know, we'll just, own your country."

20 And they've done it --

21 GARRETT ZIEGLER: (Indiscernible). [TIME
22 STAMP 0:24:51]

23 RONE: -- for every -- everywhere from the
24 Third World in Africa all the way up to more
25 modernized countries, like Italy.

1 GARRETT ZIEGLER: Uh-huh.

2 RONE: And we're really starting to see, you
3 know, a lot more of the geopolitics side of it.

4 And, you know, Dr. Navarro is one of the
5 strongest people. He -- he's been on our show -- we
6 love talking to him. He's actually -- his new book
7 is getting ready to come out in September so he's
8 going to be joining us at some point in August. We
9 just talked to his manager recently and yeah --

10 GARRETT ZIEGLER: Wonderful.

11 RONE: -- yeah. It's like you said, you know,
12 working behind the scenes and moving forward after
13 these midterm elections, it's looking like
14 President Trump's getting ready to announce pretty
15 soon, and when he does --

16 GARRETT ZIEGLER: Yes.

17 RONE: -- I hope that they get an early start
18 off on that staffing because I think that's one of
19 the biggest things that crippled him from the
20 inside out. You know, for all the work that he was
21 able to get done, you know, he -- he really
22 would've been able to do so much more if he didn't
23 have the administrative state stacked up against
24 him; everything from White House legal [counsel], all the
25 way up through, you know, the unappointed --

1 GARRETT ZIEGLER: True.

2 RONE: -- career officials that work
3 throughout all of our federal agencies. And
4 there's 600 of them, for all the people that are
5 listening. So...

6 GARRETT ZIEGLER: Yes.

7 And you make -- you make a great point. And
8 we're not saying anything the President hasn't
9 already said publicly. He knows that there are
10 so -- Judases abound, and we saw it -- two of Mark
11 Meadows's aides have just -- Cassidy Hutchinson and
12 Alyssa Farah, I mean, they're miserable hags; and
13 we're dealing with the fallout from those bad
14 staffing choices from Meadows to -- to this day.

15 So, you know, Peter was a dream in regards to
16 a first boss, and, you know, I'm just chugging away
17 and writing every day and I think you guys will be
18 pleased with what we put out.

19 I appreciate having me on.

20 RONE: No, we certainly do. And most
21 importantly, before we cut with you today, Garrett,
22 is we want to direct as much of our listenership to
23 follow you, either on social medias and then, of
24 course, the websites you want to give out. We'll
25 live link them in the show description today and I

1 can for sure --

2 GARRETT ZIEGLER: Thank you.

3 RONE: -- I can reassure you that you'll be
4 back on the show with us sometime soon to have
5 another discussion.

6 GARRETT ZIEGLER: Awesome. Thanks.

7 Take care and God bless you both. Thanks for
8 what you're doing.

9 (Segment concluded.)
